Installed by Creative Closets**

Manufactured in North America

Ribtrax®

A revolutionary modular tile that combines a striking, eye-catching look with unmatched versatility, durability, and functionality.

Size: 15.75" x 15.75"

Thickness: 0.75"

Weight: 1.47 lbs

Available in 19 colors

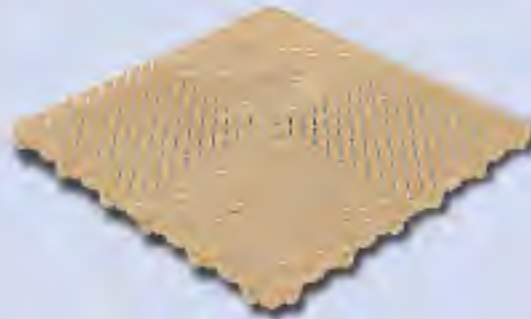

Product Benefits

- Superior Strength: 3,120 psi and 70,000 lbs of rollover weight.
- Chemical resistant to oil, gas, acid, solvents including Skydrol and Alkalis.
- Temp Tolerances: -22°F to +248°F.
- Fade resistant with UV stabilizers.
- Non-Slip, Silent Step:
Safe solution to moisture and quiet.
- Open ribbed profile with built-in, self-draining channeling system.
- Lifetime limited product warranty.

Ribtrax® Smooth

An innovative design offering the appeal of a smooth and even surface. A lower profile, but still works well interlocking with other tile designs.

Size: 15.75" x 15.75"

Thickness: 0.63"

Weight: 1.30 lbs

Available in 10 colors

Product Benefits

- Superior Strength: 2,500 psi and 60,000 lbs of rollover weight.
- Chemical resistant to oil, gas, acid, solvents including Skydrol and Alkalis.
- Temp Tolerances: -22°F to +248°F.
- Fade resistant with UV stabilizers.
- Non-Slip, Silent Step:
Clean and dry surface, quiet.
- Open ribbed profile with built-in, self-draining channeling system.
- Lifetime limited product warranty.

Diamondtrax®

A solid industrial tile featuring a classic diamond plate appearance. Its built-in support system maximizes airflow underneath.

Size: 15.75" x 15.75"

Thickness: 0.75"

Weight: 1.47 lbs

Available in 10 colors

Product Benefits

- Superior Strength: 3,120 psi and 70,000 lbs of rollover weight.
- Chemical resistant to oil, gas, acid, solvents including Skydrol and Alkalis.
- Temp Tolerances: -22°F to +248°F.
- Fade resistant with UV stabilizers.
- Non-Slip Surface:
Diamond traction ensures safety.
- Closed profile design, making it easy to clean with lasting durability.
- Lifetime limited product warranty.
